

CITY OF LONG BEACH, CALIFORNIA

2016 ADOPTED STATE LEGISLATIVE AGENDA

Economic Development • Public Safety • Education • Sustainable & Livable Cities • Local Control

About Long Beach

Incorporated in 1888, Long Beach, California is a progressive urban city made up of 464,000 residents and businesses. The City is home to the 2nd busiest port in the nation, a rejuvenated downtown, tourist attractions, one unified school district, a city college with two campuses, a state university, over 60 residential neighborhoods, 17 historical districts, and over 180 local neighborhoods and business organizations.

Long Beach is the 7th largest city in California, and the 2nd largest in Los Angeles County. The U.S. Census (2010) found that the median age in Long Beach is 33 years old, and 25% of the City's residents are under the age of 18.

The City is ethnically diverse with: 40.8% Latino/Hispanic, 29.4% Caucasian, 13.0% African American, 12.6% Asian, and 1.1% Native Hawaiian and other Pacific Islander.

The Los Angeles-Long Beach-Santa Ana area ranked #2 in the nation for having the greatest number of Lesbian, Gay or Bisexual persons. Long Beach was one of only 25 cities nationwide to achieve a perfect score on the Human Rights Campaign's Municipal Equality Index.

Long Beach Unified School District has 82,000 students spread over 84 schools. There are five charter schools and more than 40 private schools in Long Beach. Across the school district, 80% of high school students graduate on time. Long Beach City College and the California State University, Long Beach serve as local education hubs.

The City's economy is expanding as the region's economic base continues to shift from manufacturing to an information-based economy. There are several hundred businesses in the City. The top 10 private sector employers include Verizon and Boeing. The Port of Long Beach promises job growth and new career opportunities with the development of Middle Harbor.

Located at the Port of Long Beach, Middle Harbor will be the world's 1st zero emissions terminal. \$4.5 billion will be invested into the regional economy over 40 years.

Groundbreaking new programs and technologies are used in Long Beach to provide city services. The Long Beach Police Department has assembled the LB COP system using grant funds to integrate technologies to make this City a safer place to do business, live, work and play. The Long Beach Public Library has 12 branches with over 1.2 million visitors and 1.3 million materials loaned annually, and the City's Parks, Recreation and Marine Department has won the National Gold Medal Award 5 years in a row for providing quality programming and open space at over 170 locations throughout Long Beach.

8. Support legislation that would require all dogs and cats to be microchipped upon release from an animal care center, shelter, or similar facility.
9. Support legislation that provides funding for local government actions that address climate change and reduce greenhouse gas emissions, consistent with the goals and policies of the California Air Resources Board (CARB) as they relate to AB 32 and SB 375 (Global Warming Solutions Act of 2006, and the Sustainable Communities and Climate Protection Act of 2008, respectively), while protecting recognition of early local government actions that were taken to address climate change.
10. Support legislation that seeks to improve the air quality and health issues associated with construction improvements and operations of the I-710 Freeway and Port of Long Beach.
11. Pursue funding to improve, beautify, maintain, and increase the safety of the I-710 Freeway, which serves as a vital thoroughfare for residents, businesses and commerce, including funding for I-710 Early Action Projects, beginning with the realignment of the Shoemaker Bridge and ramps.
12. In addition to local I-710 Early Action Projects, support efforts to maintain and enhance funding for Alameda Corridor East projects.
13. Support legislation that will ban Longer Combination Vehicles (LCVs) that consist of longer double tractor and triple tractor-trailers from traveling on State highways and freeways to improve traffic congestion and prevent fatal accidents.
14. Work closely with the California Air Resources Board (CARB) and the South Coast Air Quality Management District (SCAQMD) to mitigate the impacts from stationary and non-stationary sources of air pollution in the Long Beach and greater Los Angeles air basin.
15. Support the adoption of comprehensive and aggressive State air quality standards for mobile sources, including passenger vehicles, heavy-duty trucks, locomotives, and ships.
16. Support a review by the U.S. Department of Transportation of regulatory and fee frameworks for freight (container, bulk, liquid bulk) as part of a comprehensive examination of efforts to improve system performance and encourage funding for environmental programs that are associated with the national freight system.
17. Support legislation that would assist the Port of Long Beach in their efforts to deliver major air quality benefits to the community and is consistent with the goals of the Clean Air Action Plan.

18. Support funding and initiatives that would provide local governments with resources to implement stormwater best management practices, including low impact development to capture stormwater at its source and improve recreational water quality at the City's beaches and local waterways.
19. Support legislation that excludes stormwater and urban runoff management fees and charges from the current constitutional approval requirements for the establishment or increase of a property-related fee or charge.
20. Support legislation that will fund regional cooperative conservation partnership accounts, natural resource protection and restoration programs, regional watershed protection and recovery programs, and watershed improvement programs.
21. Support legislation that will fund or enhance funding to local health department recreational water testing programs.
22. Support legislation and pursue funding to protect our beaches and bluffs from erosion.
23. Support efforts to explore, fund, and construct zero emissions, near zero or the best available technologies for goods movement projects in Long Beach.
24. Support legislation that protects the City's ability to efficiently operate the Southeast Resource Recovery Facility (SERRF), including efforts to develop an incentive program or foster innovative partnerships that will promote sustainability, recycling and beneficial reuse of municipal solid waste.
25. Support legislation and grants designed to evaluate and promote the development of next generation conversion technologies that minimize landfill disposal, create green collar jobs, and utilize waste material in an environmentally beneficial manner.
26. Support efforts to require cap and trade regulations to give credit for greenhouse gas emission reductions that are attributable to waste to energy facilities.
27. Support the development of incentives for cities with alternative fuel programs to encourage the use of clean burning alternative fuels or electronic charging stations for vehicles.
28. Support alternative energy proposals that promote the use of solar/alternative energy at City facilities, and for utility customers and providers.
29. Support legislation and grants designed to acquire, restore and rehabilitate wetlands in the City of Long Beach and the surrounding region.
30. Seek funding for water conservation efforts on city property, including funds to replace/repair irrigation infrastructure with water efficient systems throughout the City of Long Beach.
31. Support regional efforts at water conservation.
32. Support legislation that promotes an environmentally responsible approach to consumer goods, including requiring product take-back and recycling, reduction of packaging waste, phase out of toxic products, reduce single-use disposable goods, and ban single-use carryout bags and/or Styrofoam.
33. Support legislation to reduce homelessness, including housing assistance and case management service funding, including those related to mental health, and support efforts to ensure each city within the region is providing appropriate homeless accommodations.
34. Support legislation and grants to fund parks, recreation and marine facilities, capital improvements, and programs to increase the quality of life for Long Beach residents.
35. Support or sponsor legislation to amend State Park grant requirements to allow cities to utilize a federally approved overhead allocation system to account for the costs associated with the administration of these grants.
36. Support legislation that provides funding for enhanced services, such as facilities, senior housing, housing for the disabled, social services, mental health services, health care, supportive care, recreational programs and transportation to address the diverse needs of Long Beach's senior community.
37. Support legislation and grants that will help stabilize California's housing market for the consumer, by providing assistance to homeowners regarding reworking their mortgages, funding to combat the negative impacts of vacant residential foreclosed properties on local communities, and reforms that include establishing basic standards for fairness and transparency in the mortgage process, foreclosure proceedings, and tenant protections after foreclosures.

38. Support coupling planning efforts with greenhouse gas emission reduction, green building, and transit-oriented development strategies.
39. Support efforts to increase funding for infrastructure improvements that improve connections to and facilities around public transit, buses, and Metro Lines (i.e. the Blue Line).
40. Support efforts that promote and provide funding for housing, alternative transportation and mobility projects oriented around transit developments.
41. Support legislation and grants that enhance public health services, including pre-natal services, infant and early childhood health care, access to affordable medical, dental, and mental health care and prevention and intervention services for children and youth who may be at risk for tobacco, drug and alcohol dependency, asthma, obesity, and other conditions that threaten health.
42. Support legislation that promotes and provides funding for the screening and control of communicable diseases, Sexually Transmitted Diseases, and other emerging diseases that threaten the public's health.
43. Support legislation and grants that increase the level of safety and survival of children and youth through programs that reduce child abuse, accidental injury, deaths, homicides, gang involvement, misdemeanor and felony arrests, and incidents of violence among youth.
44. Support legislation and grants that assure children and youth have access to resources such as food, shelter, employment opportunities and transportation and that aim to reduce the poverty level of the City's children and youth, including emancipated youth.
45. Support legislation and grants that enhance social and emotional well-being, including literacy, quality childcare, teen pregnancy prevention, mentor, mental health, human dignity, foster and kinship care, after-school and weekend enrichment activities, and other cultural enhancement programs.
46. Consider support of legislation, initiatives and policies initiated and/or advocated by the Long Beach Board of Water Commissioners, on behalf of the Long Beach Water Department, that are consistent with the Department's cost-effective long-term local water supply reliability objectives.
47. Support legislation, initiatives and policies on behalf of the Long Beach Gas and Oil Department that are consistent with the City's long-term objectives for reliable, competitively priced energy supply.
48. Oppose legislation that would weaken the Medical Injury Compensation Reform Act (MICRA).
49. Support legislation requiring increased notification, prevention and response for crude oil shipped to California via rail.
50. Support legislation to require that petroleum coke products are covered during transport, including on rail.
